Webex Board Used as a Digital Whiteboard

Add new Whiteboard page

Select the **Pen** tool.

Select **Color** to draw with. Use the pen or your finger.

Select **Eraser**.

Select Undo.

View all Whiteboard pages.

Home button. Tap and hold for a few seconds to clean all whiteboard pages for the next user. You will be prompted to confirm.

Pen is normally found here, but you may also use your finger to draw.

Your Webex Board is essentially a digital whiteboard with video call capabilities.

To access the whiteboard function go to the Home screen (tap the Home button) and then tap Whiteboard.

The size of a whiteboard page is as large as you want. We call this infinite pages.

To save your whiteboard drawings you may send them as emails to the recipient of your choice. To be able to do this, your video support team must have configured your Webex Board to make use of a mail server.
The format used is PDF.

Annotating Shared Content On the Webex Board

1   Outside calls, share a presentation make sure you display the image you want to annotate.

Tap the screen, if needed, to produce the **Annotation** icon and then tap the **Annotation** icon.

2   Make your annotations using the tools available and tap **Done** when finished.

3   You will now be offered to resume the presentation or to stop it completely.

Your annotated image will exist as a whiteboard page. Tap as shown to produce thumbnails of all your whiteboard pages.
4   You may now add another whiteboard page or delete any of the whiteboard pages.

Please note that the whiteboard pages will be erased when your session is over, unless you e-mail them, see at right for details.
