Overview

EOL13526

Cisco announces the end-of-sale and end-of-life dates for the Cisco Meeting Server 2.x software, Cisco Meeting Management 2.x software and Cisco Meeting App. The last day to order the affected product(s) is March 1, 2021. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

End-of-life milestones

Table 1. End-of-life milestones and dates for the Cisco Meeting Server 2.x software, Cisco Meeting Management 2.x software and Cisco Meeting App

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	August 31, 2020
End-of-Sale Date: App SW	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	March 1, 2021
Last Ship Date: App SW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	May 30, 2021
End of SW Maintenance Releases Date: App SW	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	March 1, 2022
End of New Service Attachment Date: App SW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	March 1, 2022
End of Service Contract Renewal Date: App SW	The last date to extend or renew a service contract for the product.	May 28, 2023
Last Date of Support: App SW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	February 29, 2024

HW = Hardware

OS SW = Operating System Software

App. SW = Application Software

Product part numbers

End-of-Sale Product Part Number	Product Description	Replacement Product Part Number	Replacement Product Description	Additional Information
SW-CMS-2X-K9	Cisco Meeting Server (CMS) 2.x Software image	See the Product Migration Options section below for detailed information on replacing this product.	-	-
CMS1K-SW-2X	Cisco Meeting server 1000 sw preload	See the Product Migration Options section below for detailed information on replacing this product.	-	-
CMS2K-SW-2X	Cisco meeting server 2000 preload	See the Product Migration Options section below for detailed information on replacing this product.	-	-

Product migration options

Customers are advised to upgrade to the latest version of Cisco Meeting Server and Cisco Meeting Management, version 3.0 or later. Cisco Meeting App will no longer be supported from Cisco Meeting Server version 3.0 and later. Customers can use the Cisco Meeting Server web app to join and manage spaces via a supported webRTC capable internet browser. Alternatively, if customers need a "thick" app that is downloaded to the user's device then they should migrate to Cisco Jabber.

Service prices for Cisco products are subject to change after the product End-of-Sale date.

The Cisco Takeback and Recycle program helps businesses properly dispose of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to:

https://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html.
